ECONOMIC COMMITTEE

Corrigendum to Decision Sheet AC/127-R/418
dated 18th December, 1973

At the request of the Norwegian Delegation, please amend Item IV, (3) as follows:

- "(3) took note of the information supplied by Norway regarding negotiations which had been started with Bulgaria for the conclusion of a new long-term commercial agreement replacing the present running 10-years' agreement; noted that Bulgaria refused to negotiate on the basis of the standard proposal put forward by Norway and which previously had been accepted by other Eastern countries such as Poland, DDR and Czechoslovakia; noted furthermore that the Bulgarians wanted to negotiate on a last-minute presented own standard for a 10-years' agreement on "economic cooperation" (vesting a mixture of several economic/technological/industrial cooperation projects and perspectives as well as principles of commercial policy (i.e. the MFN-clause), and that the talks, which had been suspended, might be resumed at the end of the one year prolongation of the 1969-73 agreement which the parties consequently agreed upon."
