

Asia-Europe Meeting

The **Asia-Europe Meeting (ASEM)** is an intergovernmental forum for dialogue and cooperation established in 1996 to deepen relations between Asia and Europe, which addresses political, economic and socio-cultural issues of common concern.

### ASEF Photo Exhibition: *On the Go*

2016 marks the 20<sup>th</sup> Anniversary of the **Asia-Europe Meeting (ASEM)**. On this occasion, the **Asia-Europe Foundation (ASEF)**, as the only institution created under the ASEM Process, presents a collection of photographs to visualise Asian and European perceptions of people on the move. This **ASEF photo competition-cum-exhibition** aims to promote one of the key elements of ASEF's mandate: better understanding between Asia and Europe through people-to-people connections.

The photographs selected for the exhibition were shortlisted from a photo competition, undertaken by ASEF in 2015. Photographers from 50 ASEM partner countries submitted over **1,500 entries** capturing on-the-go scenes. The competition theme reflected the motion and pace of life in Asia and Europe, illustrating moments where we are different and yet, so alike. The competition was judged by a panel of experts, chaired by LASALLE College of the Arts, Singapore.

**Photography** is a powerful medium that can communicate ideas across borders and speak universally to a wide multi-cultural and multi-lingual audience. By inviting professional and budding photographers to portray Asians and Europeans in their daily life, we hope to highlight the diversities as well as similarities between the lives in the two regions.

The photographs are being exhibited in several capitals in Asia and Europe including Ulaanbaatar, Mongolia, at the **11<sup>th</sup> ASEM Summit (ASEM11)** in July 2016.

ASIA-EUROPE  
FOUNDATION

The **Asia-Europe Foundation (ASEF)** promotes understanding, strengthens relationships and facilitates cooperation among the people, institutions and organisations of Asia and Europe. ASEF enhances dialogue, enables exchanges and encourages collaboration across the thematic areas of culture, economy, education, governance, public health and sustainable development.

ASEF is an intergovernmental not-for-profit organisation located in Singapore. Founded in 1997, it is the only institution of the Asia-Europe Meeting (ASEM).

Together with about 750 partner organisations ASEF has run more than 700 projects, mainly conferences, seminars and workshops. Over 20,000 Asians and Europeans have actively participated in its activities and it has reached much wider audiences through its networks, web-portals, publications, exhibitions and lectures.
