YOUNG SOCIAL ENTREPRENEURS FOR SUSTAINABLE DEVELOPMENT

SOCIAL ENTREPRENEURSHIP EMPOWERING YOUTH WITH
DISABILITIES TO BE AGENTS OF CHANGE

THE RATES OF GLOBAL YOUTH UNEMPLOYMENT ARE ON THE RISE AGAIN. A LARGE NUMBER OF YOUNG PEOPLE FACE NUMEROUS OBSTACLES TO ENTER THE LABOR MARKET INCLUDING ACCESS TO QUALITY EDUCATION, TRANSITION FROM EDUCATION TO EMPLOYMENT, SKILLS GAP, ETC. THE OPPORTUNITIES ARE EVEN FEWER FOR YOUTH WITH DISABILITIES WHO FACE MORE CHALLENGES FOR PERSONAL AND CAREER REALIZATION.

THE OBJECTIVE OF THE SIDE EVENT IS TO INTRODUCE THE CONCEPT OF SOCIAL ENTREPRENEURSHIP AS A FORM OF YOUTH EMPLOYMENT ENCOURAGING SOCIAL INCLUSION AND CONTRIBUTION OF YOUNG PERSONS WITH DISABILITIES TO PRESSING SOCIAL ISSUES AND

- TO SHOWCASE REAL EXAMPLES OF SOCIAL ENTERPRISES.
