**H.E. Mr. Georgi Velikov Panayotov**  
Ambassador Extraordinary and Plenipotentiary  
Permanent Representative of Bulgaria  
to the United Nations

Dear Ambassador Panayotov:

On behalf of World Vision, I would like to express our gratitude for co-hosting the High level event on: *It takes a world to end violence against children.*

Ending violence against children, particularly all forms of such violence requires a major undertaking. It can only be achieved if we join all our efforts. The event on Monday, 24 April has contributed to bring us together and reflect on the urgency of this endeavor.

We are truly excited at the It takes a world campaign that has already launched in 23 countries as our contribution to SDG 16 aimed at improving children lives.

We look forward to continue coordination with you and keeping your Mission informed on this campaign in the context of the UN to share on its implementation and challenges.

Best Regards,
