Type of post: Administrator - Job no. 494186

Eligibility grade for EU officials and current temporary agents under Article 2(e) of the CEOS: AD 5 – AD 12 / Grade of recruitment for candidates from the Member States¹: AD7

WE ARE

The European External Action Service (hereafter, the “EEAS”) supports the High Representative in the exercise of her mandate to conduct and implement an effective and coherent EU Common Foreign and Security Policy (hereafter, the “CFSP”), to represent the EU and to chair the Foreign Affairs Council.

It also supports the High Representative in her capacity as Vice-President of the Commission with regard to her responsibilities within the Commission in the external relations field, including the coordination of other aspects of the EU’s external action. The EEAS works in close cooperation with the EU Member States as well as the General Secretariat of the Council, the services of the Commission and the Secretariat General of the European Parliament.

The European Union currently has 145 Delegations and Offices, 9 of which are to international organisations. Overall, about 6000 staff are currently serving in the Union Delegations. The EU Delegations are placed under the authority of the High Representative of the Union for Foreign Affairs and Security Policy, who is also Vice President of the European Commission.

Following the decision of the Commissioners’ Project Group on External Action (CPGEA) on 14 May 2025 on the modernisation of the Delegation network, the EU Delegation to South Sudan will become a Diplomatic Presence Delegation with reduced staffing and a mandate focused on core activities, relying on support from nearby Delegations and EEAS Headquarters. The roll-out of this process will start as of 1 September 2026.

WE PROPOSE

The position of **Political and Administration Officer in the European Union Delegation to Kuwait**.

Under the responsibility of the Head of Delegation (HoD), the successful candidate will assist and, when required, replace the HoD in providing overall strategic orientation and in managing the Delegation in accordance with existing rules and regulations, in particular in relation to:

- Monitoring, analysing and reporting on the political situation in the host country including in the area of foreign policy;
- Ensuring the administrative management of the Delegation, with support from Headquarters and from a neighbouring or Reinforced Delegation; this will include, as relevant, ensuring the management of the imprest of accounts, of local procurement, of local staff members, of physical and financial assets and of security, as well as the management of information and EU Classified Information.

¹ Candidates from the Member States are candidates from the national diplomatic services, in line with Article 98(1), first subparagraph of the Staff Regulations.

This position is classified as an “Administrator” type of post² in the grade bracket AD 5 – AD 12. If selected for the post, candidates from the Member States will be recruited at grade AD7.
