

To the all NFPoCs

Dear Sir/Madame,

I would like to ask you for assistance in selecting a qualified National Expert (SNE) that could be seconded to Frontex by considering your personnel to be proposed for an SNE post of the following profile:

- Post title: **Operational Analyst in the Operational Analysis and Evaluation Sector within the Risk Analysis Unit under Operations Division**;
- Deadline for applications: **31th October 2014**;
- Proposed date of starting the secondment: **as soon as possible**;
- Place of secondment: **Warsaw, Poland**;
- Length of secondment: **two years** and it may be renewed if it is justified in the interest of Frontex;
- Level security clearance: at least at the **CONFIDENTIEL UE** level; copy should be provided together with the application form.

The secondment is governed by the 'The rules on the secondment of National Experts (SNE rules) to Frontex' as adopted by the Management Board on 25 June 2009 in Warsaw and decision of the Deputy Executive Director of Frontex, establishing the different levels of security clearance for posts in Frontex of 12th March 2013.

The applications should be submitted via the Permanent Representation Offices using the Standard Application Form (please note that previously submitted applications for the same post will be taken into consideration, therefore there is no need of second submission of applications already provided).

We kindly ask you to disseminate this information as widely as possible within the public administration offices. Bearing in mind the specific profile of this post, we would especially appreciate communicating this open call to the Ministry of Interior, Ministry of Foreign Affairs, Ministry of Defense, Ministry of Foreign Justice, Migration Service, Security/Intelligence Service and Border Control Authorities (e.g. National Police Service, Border Police, Border Guard Service).

Please kindly inform the SNE's Employer about the obligations towards the person throughout the period of secondment in accordance with article 1(1) of SNE rules.

Please accept my highest considerations,

Gil Arias
Executive Director a.i.
