and EURODAC⁶. In the future, it may also be made responsible for the preparation, development and operational management of other large-scale IT systems in the area of freedom, security and justice, if so entrusted by means of separate legal instruments.

Core task of eu-LISA is to ensure the effective, secure and continuous operation of the IT-systems. It is also responsible for the adoption of the necessary measures to safeguard the security of the systems and the security of data.

Beyond these operational tasks, eu-LISA is responsible for the tasks related to reporting, publishing, monitoring and organising specific trainings on the technical use of the systems, implementing pilot schemes upon the specific and precise request of the Commission and monitoring the research relevant to the operational management of the systems.

2. THE APPLICATION MANAGEMENT AND MAINTENANCE UNIT

The Application Management and Maintenance Unit of eu-LISA is located in Strasbourg. The Unit offers to its customers 24/7 operational support of the applications portfolio (central system) and cost effective solutions that ensure the systems evolutions in line with the business needs and technological progress.

The Application Management and Maintenance Unit has as mission to:

- ensure the 24/7 operational support for the central system application portfolio within the agreed Service Level Agreements. Ensure the maintenance (adaptive, corrective and evaluative) of the central system application portfolio;
- ensure, through its Project Management Office (PMO), robust project management structure and pragmatic governance that establish a consistent, predictable and efficient way to manage the on-going and future projects;
- deliver quality and cost effective IT solutions/evolutions of the applications portfolio that supports the business reality and make the best use of the technology;
- cover activities during the entire project lifecycle, starting with the initial business needs detected or expressed by the Member States, following the cost-benefits analysis and agreement with all the involved parties, contracting services from providers if required (in collaboration with support of Procurement Unit), manage internal tests and tests with Member States, until the implementation;
- ensure, in collaboration with the Security Officer and the Data Protection Officer, that all the IT solutions delivered embed the appropriate level of data and physical security level and compliant with the data protection rules;
- Relate to Member States for operational matters or specific project related aspects (requirements, tests, rollout);
- shape the Test Strategy, carry out all tests related activities (test plans, scenarios, analysis, execution and reporting) and ensure the needed tools to efficiently support the testing process;

⁶ Council Regulation (EC) No 2724/2000 of 11 December 2000 concerning the establishment of 'EURODAC' for the comparison of fingerprints for the effective application of the Dublin Convention, OJ L 316, 15.12.2000.

- manage efficiently the on-going contracts through close follow up and metrics and assists the Budget and Finance Unit in writing technical specifications for new procurement procedures;
- responsible for the Change Management (including adaptive, corrective and evaluative maintenance) and the Release Management (including management of the test environment);
- perform for any future IT Systems the feasibility studies, resources needs forecast, development, test and implementation.

3. THE SECONDMENT

SNE's are seconded to eu-LISA according to the Decision No 2012-025 of the Management Board of the eu-LISA as of 28 June 2012.

SNE's should enable eu-LISA to benefit from the high level of their professional knowledge and experience, in particular in areas where such expertise is not readily available.

The SNE's employer shall undertake to continue to pay his/her salary, to maintain his/her administrative status throughout the period of secondment. The SNE's employer shall also continue to be responsible for all his/her social rights, particularly social security and pension.

SNE's shall assist eu-LISA statutory staff members. They may not perform middle or senior management duties, even when deputising for their immediate superior. Under no circumstances may an SNE on his/her own represent the eu-LISA with a view to entering into commitments, whether financial or otherwise, or negotiating on behalf of eu-LISA.

SNE shall carry out the duties and conduct solely within the realm of eu-LISA interests. He/she shall neither seek nor take instruction from any government, authority, organisation or person outside eu-LISA. He/she shall carry out the duties assigned objectively, impartially and in keeping with his/her duties of loyalty to the European Communities.

The initial period of secondment may not be less than six months or more than two years. It may be renewed once or more, up to a total period not exceeding four years. Exceptionally, at the request of the Unit concerned and where the interest of the service warrant it, the Executive Director of eu-LISA may authorise one or more extensions of the secondment for a maximum of two more years at the end of the four-year period.

The secondment is authorised by the Executive Director of eu-LISA and effected by an exchange of letters between him and the Permanent Representation of the Member State concerned or, the associated countries missions to the EU, and the International Governmental Organisations.

The SNE is entitled, throughout the period of secondment, to a daily subsistence allowance and a monthly subsistence allowance, applicable to the place of secondment.

4. TASKS AND RESPONSIBILITIES

Under the supervision of the Quality Assurance Manager and reporting to the Head of Applications Management and Maintenance Unit, the scope of work for the Project Manager Officer is:

6. EQUAL OPPORTUNITIES

The eu-LISA applies an equal opportunities policy and accepts applications without distinction on grounds of sex, race, colour, ethnic or social origin, genetic features, language, religion or belief, political or any other opinion, membership of a national minority, property, birth, disability, age or sexual orientation.

7. SELECTION PROCEDURE

The selection procedure includes the following steps:

- the Selection Committee designated by the eu-LISA Executive Director is set up for the selection procedure;
- after registration, each application is checked in order to verify whether the applicant meets the eligibility criteria;
- all the eligible applications are evaluated by the Selection Committee based on the selection criteria defined in the vacancy notice;
- the best-qualified applicants, who obtained the highest number of points are short-listed for an interview;
- the interview is held in English;
- during the interview, the Selection Committee examines the profiles of applicants and assesses their relevancy for the post in question;
- shortlisted applicants may be required to undergo written competency test in their second EU language;
- applicants invited to an interview will be requested to present, on the day of the interview, originals of their evidence of their professional experience, clearly indicating the starting and finishing dates, and the workload;
- as a result of the interviews, the Selection Committee recommends the most suitable applicants for the post in question. Suitable applicants are put on reserve list, which may also be used for recruitment to a similar post depending on the needs of the eu-LISA and budgetary situation, and shall be valid until **28 February 2017** (the validity period may be extended). Each applicant will be informed whether or not he/she has been placed on the reserve list. **Applicants should note that inclusion on a reserve list does not guarantee secondment.**

Please note that the Selection Committee's work and deliberations are strictly confidential and that any contact with its members is strictly forbidden.

8. PROTECTION OF PERSONAL DATA

The eu-LISA ensures that applicants' personal data are processed in accordance with Regulation (EC) No 45/2001 of the European Parliament and of the Council of 18 December 2000 on the protection of individuals with regard to the processing of personal data by the Community institutions and bodies and on the free movement of such data (12.1.2001, OJ, L 8). Please note that the eu-LISA will not return applications to applicants. This applies in particular to the confidentiality and security of such data.

The purpose of processing personal data is to enable selection procedure.

The selection procedure is conducted under the responsibility of the eu-LISA's Human Resources and Training Unit, under the Resources and Administration Department. The controller for personal data protection purposes is the Head of the Human resources and Training Unit.

The information provided by the applicants will be accessible to a strictly limited number of staff members of the HR staff, to the Selection Committee, and, if necessary, to the Legal Officer of eu-LISA.

Almost all fields in the application form are mandatory; the answers provided by the applicants in the fields marked as optional will not be taken into account to assess their merits.

Processing begins on the date of receipt of the application. Data storage policy is as follows:

- for applications received but not selected: the paper dossiers are filed and stored in archives for **2 years** after which time they are destroyed;
- for applicants placed on a reserve list but not recruited: data is kept for the period of validity of **the reserve list + 1 year** after which time they are destroyed;
- for recruited applicants: data is kept for a period of **10 years** as of the termination of employment or as of the last pension payment after which time they are destroyed.

All applicants may exercise their right of access to and right to rectify personal data. In the case of identification data, applicants can rectify the data at any time during the procedure. In the case of data related to the admissibility criteria, the right of rectification cannot be exercised after the closing date of applications' submission.

Any substantiated query concerning the processing of his/her personal data can be addressed to the HR and Training Unit at eulisa-SNEPOSTING@eulisa.europa.eu.

Applicants may have recourse at any time to the European Data Protection Supervisor (edps@edps.europa.eu).

9. APPLICATION PROCEDURE

Applications must be sent **by the Permanent Representation of the State** to the following e-mail address before the deadline: eulisa-SNEPOSTING@eulisa.europa.eu. Please liaise with your Permanent Representation to ensure that your application meets deadline.

The closing date for submission of applications is: **22 February 2015 at 23.59 hrs Tallinn time.**

For applications to be valid and treated as eligible, applicants shall include the following documents:

- an application form duly signed and completed, provided on the eu-LISA website ;
- proof of the national administration authorisation – Form 1A (Employer authorisation for SNE applicant to be found also on the eu-LISA website);
- a copy of security clearance.

The subject of the e-mail should include the reference of the Call of an Expression.

Applications delivered in hand or by mail will not be accepted.

Please note that if at any stage of the selection procedure it is established that any of the requested information provided by an applicant is false, the applicant in question will be disqualified.

Incomplete applications and applications sent to eu-LISA after the set deadline will be disqualified and treated as non-eligible.

Only applicants selected for the interview will be contacted.

In case of any queries about the selection process, please contact through the e-mail: eulisa-SNEPOSTING@eulisa.europa.eu
