Council Decision 2014/915/CFSP of 16 December 2014 amending and extending the Mission Mandate until 14 December 2016

Dear Ambassador,

1. Background

The Council Joint Action 2008/736/CFSP of 15 September 2008 established a European Union Monitoring Mission in Georgia (EUMM Georgia) with a mandate to contribute to the long-term stability throughout Georgia and the surrounding region and in the short term, to contribute to the stabilisation of the situation with a reduced risk of resumption of hostilities, in full compliance with the six-point agreement and subsequent implementing measures. This was amended and extended by Council Decision 2014/915/CFSP of 16 December 2014 until 14 December 2016.

I kindly invite EU Member States to put forward qualified candidates for the positions as listed in Annex I.

2. Methodology

- a) EU Member States are requested to examine the personal profile and job description to ensure that:
 - Proposed candidates meet the listed criteria described in the essential requirements and specific job descriptions (**Annex I**);

- Each candidate completes the standard job application form in English (**Annex II**). Applications will be considered only when using this form and indicating which position(s) the candidate is applying for.
- b) Proposed candidates should satisfy in full the criteria set out in the job description. The main criteria for suitability for posts are professional and specific skills and experience.
- c) I would appreciate it if EU Member States would submit offers of personnel at their earliest convenience, **but not later than 20 March 2015 at 17:00 hours (Brussels time)**.
EU Member States should submit their personnel offers by e-mail to the following address:
- cpcc.eummgeorgia@eeas.europa.eu**
- d) Interviews will take place during the course of April 2015.
- e) The Civilian Planning and Conduct Capability (CPCC) will be responsible for notifying EU Member States of the outcome of the selection process. Communication of the selection results is expected to take place in April 2015.
- f) Selected personnel should be ready for deployment to the Mission area within the deadlines specified in each job description.
- g) Subject to the adoption of the Council Decision approving the appropriate Budgetary Impact Statement, the duration of the deployment should be of 12 months.

3. General Information

- a) For seconded positions, only personnel nominations received through official channels from EU Member States will be considered. EU Member States will bear all personnel-related costs for seconded personnel, e.g. salaries, medical coverage, travel expenses to and from the Mission area (including home leave) and allowances other than those paid according to the Council Documents 7291/09 (10 March 2009) and 9084/13 (30 April 2013).
- b) The EU strives for improved gender balance in CSDP operations in compliance with UNSCR 1325. EU Member States are encouraged to take this into account when offering contributions.
- c) The selected candidate will have to be in possession of the necessary level of Personnel Security Clearance (PSC) as specified in the respective job description, when deployed. The original certificate of the national security clearance must accompany deployed seconded personnel.
- d) It is moreover expected that all new Mission Members have undergone pre-deployment training before joining the Mission. Hence, I draw your attention to the

pre-deployment training courses for the newly selected Mission Members, regularly organised under the ENTRi project and free of charge. All information is available on the website: <http://www.entriforccm.eu>

In addition, the European Security Defence College (ESDC) is organising pre-deployment training courses. All information is available the website: http://eeas.europa.eu/csdp/structures-instruments-agencies/european-security-defence-college/news/2014/20150115_en.htm

In case ENTRi and ESDC do not offer a suitable course, a national alternative is also an option.

- e) Any further information required relating to the selection and deployment of personnel may be obtained from CPCC by contacting:
