**EDA RECRUITMENT – EXTENSION OF DEADLINE FOR TWO SECONDED NATIONAL EXPERTS POSTS**

**Post 023b** - Project Officer Intelligence, Surveillance & Reconnaissance – SNE (AD11)

**Post 108b** - Project Officer Medical – SNE (AD11)

Annex: 2 Vacancy Notices

In EDA Communication of 30 November 2015, we invited applications for Seconded National Experts posts. The closing date for receipt of applications was 6 January 2016. Due to a lack of suitable sponsored candidates the posts Project Officer Intelligence, Surveillance & Reconnaissance and Project Officer Medical are extended until **20 January 2016**.

Since the posts are for Seconded National Experts, proof of sponsorship of candidates by their national authorities is required as far as possible by the closing date for the receipt of applications; and in any case not later than the recruitment date.

Candidates are reminded that the on-line application system will not accept applications after midnight (Brussels time, GMT+1) on the date of the deadline.

I look forward to your sponsorship of suitable candidates.
