While being a separate entity, the Regional Coordination Cell (RCC) and its Internal Security and Defence Experts (ISDEs) are administratively attached to EUCAP Sahel Mali.

EUCAP Sahel Mali bears a High Risk Non-Family Mission status due to the present risk rating of the mission area as high. Risk assessment is also high for Niger and Chad, and medium for Burkina-Faso and Mauritania.

As such, international RCC seconded and contracted staff and ISDEs located in Mali, Niger and Chad shall at no time receive visits or be habitually accompanied by any family member in the area for the duration of their tour of duty or contract. For security reasons, the Mission Members are obliged to live in restricted areas, where security responsibilities are borne by the Mission. For the ISDEs located in Burkina-Faso and Mauritania the same conditions apply, in accordance with the relevant OPLANs.

**Seconded Personnel** – For seconded positions, only personnel nominations received through official channels from EU Member States will be considered. EU Member States will bear all personnel-related costs for seconded personnel, e.g. salaries, medical coverage, travel expenses to and from the Mission area (including home leave) and allowances other than those paid according to Council Documents 7291/09 (10 March 2009) and 9084/13 (30 April 2013).

**Contracted Personnel** – The Mission may recruit international staff on a contractual basis as required, through an employment contract. The employment contract with the Mission establishes the conditions of employment, rights and obligations, remuneration, allowances, travel and removal expenses and the applicable high risk insurance policy. Preference will be given to seconded candidates.

Documents supporting educational qualifications and work experience should be accompanied by certified translations of the original documents in the English or French language, if issued in another language, in accordance with the European Commission Guidelines for Lifelong Learning, which ensures transparency in higher education and fair and informed judgements about qualifications.

**Tour of Duty/Contract Period** – Subject to the approving the appropriate Budgetary Impact Statement and of the revised OPLANs of EUCAP Sahel Mali and EUCAP Sahel Niger, the duration of the deployment should be of 12 months.

The Civilian Operations Commander requests that EU Member States propose candidates for the following international expert positions, according to the requirements and profiles described below:
