Dear Consul General:

I'm writing to you today to offer warm congratulations on the occasion of the National Day of the Republic of Bulgaria – Third of March. This special day is a time for the people of Bulgaria to show pride in their country's many achievements, its history and its rich culture.

Here in Ontario, we're fortunate to be home to a strong Bulgarian community. And we're grateful for its many contributions to making our province a better place to live, work and raise a family. I hope all Ontarians take some time to learn more about the accomplishments of the Bulgarian community.

I hope this year's Third of March is a memorable one for all.

Sincerely,
