CONDITIONS OF EMPLOYMENT

EEAS career development policy places the need for staff to develop a mix of competences at its core, e.g. working in various fields of expertise and responsibilities in the course of a person's career, including postings at Headquarters and Delegations. Therefore, staff members are encouraged to alternate between Delegation and Headquarters postings.

Successful candidates from the Member States will be required to make a declaration of their commitment to act independently in the public interest and a declaration of any interests which might be considered prejudicial to their independence.

In accordance with Article 6(11) of Council Decision 427/2010, each Member State shall provide its officials who have become temporary agents in the EEAS under Article 2(e) of the CEOS with a guarantee of immediate reinstatement at the end of the period of service to the EEAS.

The newly engaged temporary staff is required to complete successfully a probationary period of 9 months.

As a matter of policy, applications of individuals who have dual nationality of the host country or the partner of whom has the nationality of the host country will be considered on a case-by-case basis. The EEAS examines if there could be a conflict of interest and the consequence of a possible refusal by the host country to grant diplomatic immunity to the staff member and or his/her partner and family, as well as possible security risks. The HR Department may ask for additional information from the applicant in this context.

It is in the interests of the service to ensure that staff members in the Delegations are able to complete full postings before reaching the age of retirement. Before taking any final decisions on nominations, the appropriate Appointing Authority will ensure on a case-by-case basis that the successful candidates will indeed be able to complete the relevant full posting for the post for which they have been selected.

Successful candidates must undergo a medical examination to ensure that they are physically fit to perform their duties.

Candidates are deemed to be fully aware of the local living conditions, including i. a. information concerning security, health care, education, employment opportunities for spouses and the accommodation provided (Annex X, Article 5 or 23), before applying. Individual post reports are available from EEAS.BA.HR3, Rights and Obligations:
