Following the decision of the High Representative of the European Union for Foreign Affairs and Security Policy and Vice-President of the European Commission (HR/VP) to deploy an EU Election Observation Mission (EU EOM) to Peru, **pending the signing of an Administrative Agreement between the European Union and the Peruvian Authorities**, the European Commission wishes to initiate the selection procedure for **eight Core Team positions** for the EOM to observe the **Parliamentary Elections on 26 January 2020**.

The Commission invites interested applicants to submit by **10.12.2019 (12:00hrs Brussels Time)** their candidature for one, and maximum two, of the following 8 positions:

- Political/Campaign Finance Analyst
- Election Analyst
- Legal/Gender/Human Rights Analyst
- Media Analyst
- Press Officer
- Observer Coordinator
- Deputy Observer Coordinator
- Data Analyst
- Digital/Media Communication Analyst

Applicants are requested to follow the procedure described hereafter. Applications which do not meet all the specified conditions and formal requirements detailed in this procedure will not be considered. The evaluation of applications and selection of successful candidates will be carried out by a selection committee composed of the Service for Foreign Policy Instruments (FPI 3) and European External Action Service (EEAS).

1. CONTRACT CONDITIONS

All selected candidates are expected to provide a Health Declaration prior to their deployment.

Successful candidates shall follow respectfully and at any time during their assignment as observers, the EU Code of Conduct for Election Observer as well as the European Commission, EEAS, EU EOM Core Team and Service Provider instructions, in particular security and safety instructions, upon deployment and throughout the mission.

Due to both security and reputational risks, Observers are strongly discouraged from staying in

the country, for personal reasons, outside their deployment period. Service Providers are instructed not to modify mission travel tickets.

The European Commission strongly discourages the Mission Members to bring along their dependents to the Mission. Should they decide to do so, they have to be aware that the EU EOM infrastructure cannot be used for them, including in the case of medical or security evacuations. This rule is applicable to all members of the mission.

The fees plus allowances of the service contracts are as follows:

Note: the contract length is tentative and might be modified

Failure to follow the Code of Conduct and instructions may result in an early termination of the expert's assignment, immediate repatriation to the place of residence and non-recommendation for future EU EOMs.

Contract form: Successful candidates shall be contracted by the Service Provider selected for the implementation of the EU Election Observation Mission and receive letters of assignment. They will be employed as Core Team experts based on the scheme of Commission remunerated external experts foreseen by Article 204 of the Financial Regulation n°966/2012 and its Rules of Application (Article 287). Please note that this scheme requires the expert to sign a *declaration of absence of conflict of interests and confidentiality* (signed upon application) and involves ex-post transparency about the names, functions and remuneration received by the experts, which will be published yearly on the EC website.

Please be aware that the eligibility criteria (citizen of a Member State) should ideally be fulfilled for the entire duration of the assignment. If the United Kingdom withdraws from the EU during the duration of the assignment without concluding an agreement with the EU ensuring in particular that UK citizens continue to be eligible, you may cease to receive EU funding or be required to leave the assignment.

Duration of availability/contract duration: Candidates are requested to be available for the period foreseen under *Point 1*, and during the dates indicated under *Point 6*. These dates are indicative. Selected candidates will be contracted for the duration specified under *Point 1*. "*Indicative Contract length in days.*"

Suspension clause: The contracts shall also contain a “suspension clause” to allow for the termination or suspension of the EU EOM before the initially foreseen end dates, which would also lead to the termination of the respective service contracts with the selected candidates.

Payment: All payments shall be based on an invoice from the successful candidates addressed to the Service Provider. This invoice has to clearly indicate the number of days worked (de facto). Members of the Core Team will be paid an amount which includes fees, per diems and risk allowance (if applicable) for the days actually worked.

Per diems paid to Core Team members:

1. In the event that full board accommodation (i.e. all meals included) is provided by the EU EOM, the per diem will be reduced to 30%. This rate also applies in the case of night flights.
2. In the exceptional case that accommodation without breakfast is provided, the per diem will be reduced to 35%.
3. In case that meals (but not accommodation) are provided, the daily per diem will be reduced by 10% for each dinner, 10% for each lunch and 5% for each breakfast offered.
4. If only accommodation, including breakfast, is provided, the per diem received will be reduced to 50%.
5. If the accommodation without breakfast is provided the per diem will be reduced to 55%.
6. If the lunch and dinner are provided the per diem will be reduced to 80%.

Per diem calculation				
Accommodation	Breakfast	Lunch	Dinner	Total
Provided	Provided	Provided	Provided	30%
Provided	-	Provided	Provided	35%
Provided	Provided	-	-	50%
Provided	-	-	-	55%
-	Provided	Provided	Provided	75%
-	-	Provided	Provided	80%

2. SCREENING OF APPLICATIONS TO ESTABLISH A SHORTLIST

Applicants' references and professional experience may be checked and language proficiency tested through phone interviews by European Commission officials during the selection process.

The selection procedure will follow the steps detailed hereafter. For each position incoming applications will be assessed against the following criteria:

- Complete application received within the deadline
- CV registered online in the Roster of European Union election observers at the following address: <https://webgate.ec.europa.eu/europeaid/applications/eom/index.cfm>

- Declaration of availability for the entire deployment period as specified in the tentative timetable of the *section 4* (in case of selection, a subsequent non-availability might impact negatively on the consideration for future core team positions except for cases of “force majeure”).
- Declaration of absence of conflict of interests and of confidentiality.
- Language proficiency: excellent written and spoken proficiency (level C1)⁶ in Spanish and English. **The working and reporting language of the mission will be Spanish and English.**
- Professional experience: i) participation in at least one Election Observation Missions as Core Team member or three Long Term Observer (LTO) (this may include EOMs organised by other organisations) or at least two election assistance/monitoring/supervision projects. - Computer literacy.
- Excellent physical condition and good health to cope with long working hours under particularly tough logistical conditions. Possibility of potentially demanding physical efforts.

In the event that more than three candidates satisfy the aforementioned criteria, the following criteria will be used to establish a shortlist of three candidates:

- Professional experience in EU EOMs and/or EU Election Expert Mission; experience gained in the field of electoral assistance will be considered an asset. Previous evaluations during EU EOMs will also be taken into account by the Selection Committee. Any applicant evaluated as 'not recommended for future missions' will not be taken into account by the selection committee for 5 years counted from the 'election date' of the mission in the roster for which the person was negatively evaluated.
- Participation in an election observation training course (e.g. Member States training, NEEDS/EODS, EUEOM or other) will be considered an asset, and, in case of a participation in a NEEDS/EODS training session, training feedback will be taken into consideration.
- Knowledge of the country or region will be considered an asset.

3. SELECTION OF THE SUCCESSFUL CANDIDATE

The Selection Committee will select one of the three candidates shortlisted for each position taking into consideration the following elements:

- Professional experience in EU EOMs and/or EU Election Expert Missions and other EOMs in the same position and comparable positions.
- Proven managerial capacity, organisational skills and capacity to work as part of a team in past EU EOMs.
- Language proficiency in Spanish and English (C1).
- Considered strong assets without being exclusive: Experience in the country, in the region, or in similar contexts.
- The selection committee will also aim to achieve a balanced mix of nationalities and gender in the composition of the Core Team. The European Commission strongly encourages applications from newcomers and recent participants in relevant EODS training courses. These aspects provide additional criteria for the selection of Core Team members.

Level C1 according to the Council of Europe languages levels available at [http://www.coe.int/t/dg4/education/elp/elp-reg/Source/Key reference/Overview CEFRscales EN.pdf](http://www.coe.int/t/dg4/education/elp/elp-reg/Source/Key%20reference/Overview%20CEFRscales%20EN.pdf)

In addition, full flexibility is required from the candidates in terms of mission timetable.

4. COMMUNICATION WITH APPLICANTS

- a) Apply at <https://webgate.ec.europa.eu/europeaid/applications/eom/index.cfm>
- b) From the publication of this information, candidates are strongly discouraged from contacting the relevant services of the European Commission and the European External Action Service by any means except for submission of their application. All members of the Selection Committee are instructed not to provide any additional information except for the present Request for Candidatures or for any potential additional information provided on the relevant web-page of the Commission (see <http://eeas.eu/eueom/become-an-observer/index.en.htm>)
This measure is taken to ensure a level playing field for all applicants.
- c) The deliberations of the Selection Committee are confidential.
- d) Applicants who are not selected will be informed individually by email. The Commission services do not have capacity to automatically provide individual feedback due to the large number of applicants, however in case of further inquiry please refer to the functional mailbox: FPI-EUEOM-APPLICATIONS@ec.europa.eu.
- e) The Selection Committee's decision is final.
- f) Candidates are herewith requested to update their CV in the EU Roster <https://webgate.ec.europa.eu/europeaid/applications/eom/index.cfm> prior to submitting their candidature. For the entire selection process and the preparations for fielding, the Commission will only take into consideration the data entered in the CV in the Roster (departure airport, passport data, e-mail addresses, telephone numbers, etc.). *Should a CV not include all the required information, the applicant may be rejected.*

5. CONDITIONS NECESSARY TO ESTABLISH SERVICE CONTRACTS

The deployment of the mission and the finalisation of related contracts depend on the successful finalisation of administrative preparations for the EU EOM.

- Observers will carry prescribed identification issued by the host government or election commission, and will identify themselves to any interested authority upon request;
- Observers shall maintain strict impartiality in the conduct of their duties, and shall at no time express any bias or preference in relation to national authorities, parties, candidates, or with reference to any issues in contention in the election process;
- Observers will not display or wear any partisan symbols, colours or banners;
- Observers will undertake their duties in an unobtrusive manner, and will not disrupt or interfere with the election process, polling day procedures, or the vote count,

- Observers will base all conclusions on well documented, factual, and verifiable evidence, and will keep a record of the polling stations and other relevant places that they visit;
- Observers will refrain from making any personal or premature comments about their observations to the media or any other interested persons, but should provide, through a designated liaison officer or spokesperson, general information about the nature of their activities as observers;
- Observers will participate in post election debriefings with their supervising officers and will contribute fully towards appropriate EU reports on the elections monitored;
- Observers must comply with all national laws and regulations. Where these limit freedom of assembly or movement about the country, they must note where such rules prevent them from carrying out their duties;
