EEAS Vacancy Notice Administrator

Administrator – Policy Officer GLOBAL.GI.1 Division

**(EU Staff Members: AD5-12/Candidates from national diplomatic services:
AD07)**

Job n. 375076

We are:

The European External Action Service (EEAS) supports the High Representative in the exercise of his mandate to conduct and implement an effective and coherent EU Common Foreign and Security Policy (CFSP), of representing the EU and of chairing the Foreign Affairs Council.

It also supports the High Representative in his capacity as Vice-President of the Commission with regard to his responsibilities within the Commission in the external relations field including the coordination of other aspects of the EU's external action. The EEAS works in close cooperation with the General Secretariat of the Council, the services of the Commission and the Secretariat General of the European Parliament.

The EEAS GLOBAL.GI.1 Division ensures that the EU's foreign and security policy is equipped to tackle pressing global challenges which are essential to peace, security and prosperity. We are the focal point within the EEAS for policymaking, guidance and information on all economic issues, EU anti money laundering (AML) and countering financing of terrorism (CFT) policies, and global health. Our overriding objective is to improve the integration of these subjects into the EU's relations with countries, regions and multilateral bodies worldwide

Aiming to ensure maximum coherence between internal and external policies and serving as a point of interface between the EEAS and Commission services by providing the European Commission's Services with relevant contributions to the implementation of the above-mentioned policies, the Economic and Global Health Issues Division is a small but highly motivated team, where each member works flexibly with all colleagues, including from other divisions, to pursue goals which are often politically visible and in direct support of the headline goals of our political leadership.

We propose:

Within the GLOBAL.GI.1 Division, the selected candidate will deal with EEAS' contribution to the EU anti-money-laundering and countering terrorism financing (AML/CFT) policies under the authority of the Head of Division.

The main responsibilities of the post are as follows:

- Coordinating the EEAS inputs to the ML/FT threats assessments (such as ISII/Daesh funding reports issued by the Financial Action Task Force-FATF) or other typology reports on risks, trends and methodologies linked to money laundering, as instrumental crime for organised criminal groups and transnational crime, or the financing of terrorism ;
- Supporting the European Commission in the conduct of processes leading to the establishment of an autonomous EU list of third-countries with strategic deficiencies in their AML/CFT regimes posing significant threats to the EU financial system;

- Coordinating and liaising with EEAS country desks, relevant Divisions (such as Counter Terrorism Division) and EU Delegations to provide sound advice on the EU High Risk Third Countries List (HRTC) to EEAS senior management;
- Coordinating EEAS contribution to and participation, within the EU delegation, to the FATF plenary Assemblies and working groups' meetings and in various major conferences on AML-CFT;
- Supporting the Head of Division and the EEAS senior management on general economic aspects and policies;

This position is classified as an "Administrator" type of post¹ in the grade bracket AD 5-12.
