SUB-COMMITTEE ON SOVIET ECONOMIC POLICY

Meeting held at the NATO Headquarters, Brussels 39,
on Thursday, 20th November, 1969 at 10.15 a.m.

DECISION SHEET

I. ECONOMIC SITUATION IN POLAND

The SUB-COMMITTEE:

- (1) considered the draft report established by the International Secretariat AC/89-WP/284 as a result of the examining session on Poland held on 25th September, 1969;
- (2) invited the International Secretariat to prepare a revised text taking into account the discussions held at the meeting. This draft would be submitted to the Economic Committee at their next meeting;
- (3) suggested that, rather than submitting to the Council individual country reports after each examining session, the Economic Committee might find it preferable to consider sending to the Council an overall appraisal of the economic situation in Eastern Europe. Such a draft appraisal could be prepared by the Economic Directorate in early 1970 after the Soviet Zone of Germany and Bulgaria had been examined.

II. EXAMINING SESSION ON THE SOVIET OCCUPIED ZONE OF GERMANY

The SUB-COMMITTEE:

- (1) noted that the introductory report on the Soviet Zone prepared by the German Authorities had been forwarded to the Secretariat;
- (2) agreed in principle to hold an examining session on the Soviet Zone on 8th and 9th January, 1970;
- (3) invited all delegations to request from their Authorities that they should, if possible, send experts to participate in that examining session.

III. DATE OF THE NEXT MEETING OF THE COMMITTEE

The next meeting of the Economic Committee scheduled for Thursday, 27th November, has been postponed until 11th December, 1969.
