The reason for the payment:

For example: **BDS_name of the city_your name**
BDS_Nicosia_Ivan Ivanov Ivanov

This is required so that the payment is identified as yours for sending over identity documents and the financial department of the carrier company confirms it.

Make sure that you ask the bank for a document that you have paid and present that document to the consular service of the mission abroad where you have submitted or will submit the application for new identity documents.

In case one payment covers the shipment the identity documents of more people, make sure that you submit the full names and the types of documents requested (identity card, passport or driving license) in the consular mission where you submit the application.
