6. Customs Expert, Transnistrian Settlement Team, Customs (in R. Moldova)
7. Border Control Expert, Border Guard/Police (in R. Moldova or Ukraine)

1. Planning, Analysis and Coordination Expert, Customs or Border Guard/Police. Planning, Analysis and Co-ordination Office (in Ukraine)

Main objectives of the assignment/scope of work:

Planning, Analysis and Coordination Expert works in the Planning, Analysis and Co-ordination Office under the supervision of the Head of Planning, Analysis and Co-ordination Office (PACO) and is responsible for collection of information and data from various sources and preparation of analytical products (such as reports and statistics) for the use of EUBAM and various partner institutions. In particular, s/he will ensure effective collecting of information and data related to customs and law enforcement matters and prepare regular contextual and analytical products in this regard.

Planning, Analysis and Coordination Expert respects confidentiality clauses regarding any sensitive and confidential information, which s/he obtains or accesses in connection with the activities.

Detailed description of activities:

- Collect data and information from internal (Field Offices, and other sections) and external sources such as partner services, international organisations (FRONTEX, Europol, Interpol) and open sources.
- Ensure information flows and share information within the EUBAM and with partner services involved in risk management.
- Analyse data and information received from the EUBAM units and partner services using wide selection of research tools with the objective to solicit findings and observations.
- Analyse data and information received from the Field Offices and partner services using a wide selection of research tools with the objective to solicit findings and observations.
- Support development of responses to trends and findings to partner services within the framework of EUBAM objectives.
- Contribute to drafting regular (weekly, monthly, annual) and ad hoc reports (incident, thematic, special).
- Compile and formulate statistical information on results of EUBAM activities.
- Contribute to the development of EUBAM's and partner services analytical capacity by advising partner services and developing/conducting training.
- Perform other tasks as assigned.

Main outputs/deliverables:

1. Reliable and accurate analytical outputs on border police/guard and customs analysis formulated for the use of EUBAM and partner services (as per EUBAM Action Plan).
2. Timely inputs annually to periodic and ad hoc reports for use of EUBAM and partners produced (as per EUBAM Action Plan).
3. Advisory in customs/law enforcement related data collection and analysis formulated and delivered to partner institutions (as per EUBAM Action Plan).

Monitoring and reporting requirements:

Planning, Analysis and Coordination Expert reports to the Head of PACO/OiC who is responsible for appraisal of performance and quality of work deliverables. The reporting takes place through written and verbal briefs.

Selection criteria/requirements:

- Master's degree (or equivalent), preferably in law, economics, social sciences or a related field or Diploma from Police/Customs/Border Police/ Border Guard Academy of the same level complemented with minimum 10 years of relevant working experience and specialised training.
- Experience as national or international law enforcement official or civil servant of an EU Member State or an EU institution.
- At least 10 years of operational experience in law enforcement/border or customs services, including analysis of cross-border trafficking in drugs, human beings, smuggling and economic fraud patterns, etc.
- Previous international experience with customs/border police reform projects in transition/developing countries is an asset.
- Good communication and drafting skills.
- Fluency in written and spoken English. Knowledge of other EU languages (Romanian, in particular) and Russian and/or Ukrainian is an asset.
- Computer literacy (Windows applications). Experience with data analysis and research software, preferably Analyst Notebook (i2).
- National certificate of no criminal records.
- Possession of a valid civilian driver license for motor vehicles (Category B or equivalent) and ability to drive any 4-wheel drive vehicles with manual/automatic transmission under complicated road conditions.
- Valid COVID-19 vaccination certificate.
- Serious deficiencies in any of these essential requirements may result in repatriation/termination of the secondment.

2. Crime Investigation Analyst, Customs or Border Police/Border Guard (in R. Moldova or Ukraine)

Main objectives of the assignment/scope of work:

Crime Investigation Analyst works in the Cross-border crime team of EUBAM Office in Moldova(EOM) /EUBAM Office in Ukraine (EOU) under the supervision respectively of the Head of EOM or Head of EOU and is responsible for collection of information and data from various sources and preparation of analytical products for the use of EUBAM and various partner institutions. In particular, s/he will ensure effective collecting of information and data related to law enforcement matters and prepare regular contextual and analytical products in this regard.

Crime Investigation Analyst respects confidentiality clauses regarding any sensitive and confidential information, which s/he obtains or accesses in connection with the activities.

Detailed description of activities:

- Collect data and information from internal (Field Offices, and other units) and external sources such as partner services, international organisations (Frontex, Europol, Interpol) and open sources.
- Analyse data and information received from the EUBAM units/field offices and partner services using wide selection of research tools with the objective to solicit findings and observations (on criminal phenomena and individual cases) for use of investigative and tactical/operational levels of partner services.
- Provide support and advice to the criminal investigation of significant cases related to the Moldovan-Ukrainian state border and led by Moldovan and Ukrainian competent partner services and law enforcement agencies.
- Formulate and draft ad hoc reports, e.g., special reports including recommendations for the Moldovan and Ukrainian partner services and law enforcement agencies in area of investigation of organised crime.
- Support development of operational responses to trends and findings to partner services within the framework of EUBAM objectives.
- Contribute to drafting periodic and ad hoc operational, analytical products (reports, briefings, presentations, evaluations, write-ups).
- Perform other tasks as assigned.
